Faculty Disclosure

The Emergency Medicine Learning & Resource Center adheres to ACCME standards regarding industry support of continuing medical education, and the disclosure of faculty and commercial sponsor relationships (if any) will be made known during the educational activity. Faculty are expected to openly disclose inclusion of discussion on any off-label, experimental or investigative use of drugs, devices, or equipment or any commercial sponsorship relations in their presentations.

Continuing Education Credit

General Sessions and tracks approved for up to 17.0 credit hours. P-1 is approved for up to 8.0 credit hours. P-2 is approved for up to 8.0 credit hours. P-3 is approved for up to 4.0 credit hours. P-4 is approved for up to 4.0 credit hours. To receive CME credit, participants must sign in each day. Attendance at an entire session is required to receive credit. **Paramedics and EMTs** - This educational activity is approved by the Emergency Medicine Learning & Resource Center (EMLRC), an organization accredited by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS) and the Florida Department of Health, Bureau of EMS. Participants that require additional approval should consult their local Medical Director or State EMS Office. **Physicians** - The EMLRC is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. The EMLRC designates this continuing medical activity for up to 25.0 hours in Category 1 of the Physician's Recognition Award of the AMA. Each Physician should claim only those hours of credit that he/she actually spends in the educational activity. Application has been made to the American College of Emergency Physicians for ACEP Category 1 credit and the American Osteopathic Association for Category 2 Credit. **Nurses** - Up to 25.0 nursing contact hours will be provided by the Emergency Medicine Learning & Resource Center (EMLRC). The EMLRC is approved as a provider of nursing education by the Florida Board of Nursing, Provider # 2731.
