Workshop Overview

The Emergency Services Infectious Disease Officer's Workshop 2006 has been designed to create an educational experience that will help EMS, Fire Rescue, Law Enforcement and Corrections personnel obtain the knowledge and skills needed to develop and maintain an infectious disease/control program that is effective and efficient in protecting their co-workers from exposures and illnesses related to infectious disease situations.

Who Should Attend

Paramedics, EMT's, Firefighters, Law Enforcement Officers, Corrections Officers, EMS/Fire/LEA Administrators who are responsible for or want to learn more about the infectious disease/control process and the responsibilities of an Infectious Disease Officer for an emergency services organization.

Workshop Overview

The Emergency Services Infectious Disease Officer's Workshop 2006 has been designed to create an educational experience that will help EMS, Fire Rescue, Law Enforcement and Corrections personnel obtain the knowledge and skills needed to develop and maintain an infectious disease/control program that is effective and efficient in protecting their co-workers from exposures and illnesses related to infectious disease situations.

Who Should Attend

Paramedics, EMT's, Firefighters, Law Enforcement Officers, Corrections Officers, EMS/Fire/LEA Administrators who are responsible for or want to learn more about the infectious disease/control process and the responsibilities of an Infectious Disease Officer for an emergency services organization.

Program Objectives

Following the completion of the conference, participants will be able to:

- ~ Develop/update an infectious control/disease policy manual for their organization.
- ~ Develop/update a record keeping system for infectious disease management in their organization.
- ~ Develop/update biohazardous waste policies and procedures manual for their organization.
- ~ Develop/update an occupational exposure follow-up plan/protocol for their organization.
- ~ Discuss the current information related to Avian Flu and pandemic influenza.
- ~ Discuss the current information related to HIV/AIDS.
- ~ Discuss the current information related to Glove Barrier Selection and preservation.
- ~ Discuss the current information related to Small Pox.
- ~ Discuss the use of medical respirators as they relate to their organization's activities.
- ~ Discuss the current information related to Hepatitis (A, B & C).
- ~ Discuss the current information related to TB.
- ~ Explain the lab work required for a disease exposure assessment.
- ~ Discuss the NIOSH Paramedic Blood Exposure Study and how it relates to and/or impacts their organization.

Continuing Education Credit

Paramedics and EMTs - This educational activity is approved by the Florida Emergency Medicine Foundation, an organization accredited by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS) and the Florida Department of Health, Bureau of EMS, for up to 13 credit hours. Participants that require approval other than CECBEMS should consult their local Medical Director or State EMS Office.

You are participating in a continuing education program that has received CECBEMS approval for continuing education credit. If you have any comments regarding the quality of this program and/or your satisfaction with it, please contact CECBEMS at: CECBEMS 5111 Mill Run Road, Dallas TX 75244, (972) 387-2862, lsibley@cecbems.com.

Physicians - The Florida Emergency Medicine Foundation (FEMF) is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. The Florida Emergency Medicine Foundation designates this continuing medical education activity for up to 13 credit hours in Category 1 of the Physician's Recognition Award of the American Medical Association. Each Physician should claim only those hours of credit that he/she actually spends in the educational activity. Application has been made to the American College of Emergency Physicians for up to 13 hours of ACEP Category 1 credit. Application has been made to the American Osteopathic Association for up to 13 hours of Category 2 credit.

Nurses - Up to 13 nursing contact hours will be provided by the Florida Emergency Medicine Foundation (FEMF). The FEMF is approved as a provider of nursing education by the Florida Board of Nursing, Provider #2731.

Americans with Disabilities

EMLRC wishes to ensure no individual with a disability is excluded from the conference. If auxiliary aids or services are required in order to attend this program, notify EMLRC 15 days prior to the start of the conference.
