Integrate the elements of meeting success and elevate your event experience.

Centrally situated between Downtown Orlando and the Orlando International Airport with easy access to major freeways, our facility is just a short drive from the city’s most famous attractions. Connect and convene in our meeting facilities which include two classrooms, built-in registration desk, break room and kitchen, audio conferencing, video conferencing, and other A/V capabilities that will take your presentation to new heights. Our meeting space creates a modernized classroom that seamlessly integrates technology and creates a more engaging experience for attendees.
