

PAYMENT REFORM SUMMIT

COST-EFFECTIVE CARE IN A RISK-BASED WORLD

February 7-8, 2019
EMLRC in Orlando, FL

Register Now

General Registration: \$350
Resident Registration: \$100 with code EMRES

Join other leaders in emergency medicine and health care as they address the new world of health care delivery and payment reform. This summit will focus on future practice model innovation to address new payment risk models, government regulations, coordination of patient care and more.

Open to all health care leaders, including:

ED leaders
Medical directors
EM group business
leaders

Hospital executives
EMS leaders
Practice management
companies

Nursing leadership
Academic leaders
Revenue cycle
management companies

AGENDA: FEBRUARY 7, 2019

The Current Legislative & Regulatory Climate: Updates, Opportunities and Challenges

7:15 am – 8:00 am | Registration/Check-In

8:00 am – 8:15 am

Welcome & Opening Remarks

By Adrian Tyndall, MD, MPH, FACEP

8:15 am – 9:00 am

Reimbursement Update

By Michael Granovsky, MD, CPC, FACEP

Review of emergency medicine billing and coding, with focused discussion on surviving payor audits and understanding how the Medicare Physician Fee Schedule affects reimbursement.

9:05 am – 9:50 am

Poor Payer Behavior: Updates & Strategies from the States

By Ed Gaines, JD, CCP

Health insurance companies are determining payment rates arbitrarily and retroactively. Learn more about the negative changes in emergency physician reimbursement and develop action plans to reverse these trends.

9:50 am – 10:00 am | Break

10:00 am – 10:45 am

Successful Data Reporting Leading to Success with MACRA and MIPS

By Stephen Epstein, MD, MPP, FACEP

Using ACEP's Clinical Emergency Data Registry (CEDR) as a model, the speaker will describe the federal government's Quality Payment Program (QPP), the in-and-outs of how QCDRs work, and how they allow practitioners to report their data to payers and use their data for quality improvement.

10:50 am – 11:35 am

The Acute Unscheduled Care Model: Lessons Learned from ACEP's First APM

By Randy Pilgrim, MD, FACEP

This lecture will review current regulations for APM along with PTAC updates, such as collaboration with hospitals to coordinate care, with particular focus on the Acute Unscheduled Care Model (AUCM).

11:40 am – 12:40 pm | Panel Discussion

Emergency Medicine's Role in Payment Initiatives

Moderator: Jordan Celeste, MD, FACEP

Panelists will discuss the unique challenges that emergency medicine faces to be included in payment reform initiatives, including how we are viewed in the care continuum.

12:45 pm – 1:45 pm | Lunch Presentation

ACEP and EDPMA Updates: Current Activities, Priorities, and Future Challenges

By Vidor Friedman, MD, FACEP and Aron Goldfeld, JD, MBA

Speakers will discuss current activities that ACEP and EDPMA are pursuing in regard to federal and state issues.

1:50 pm – 2:35 pm

CMS: Potential Changes That Could Affect Emergency Medicine

By Adam Krushinskie, MPA

A review of the CMS rulemaking process will lay the foundation for this talk, and potential future rules and their potential to impact emergency medicine will be discussed.

2:35 pm – 2:45 pm | Break

2:45 pm – 3:45 pm

Ten Years of the Affordable Care Act: Where Are We Now and Where Are We Going?

By Laura Wooster, MPH

This lecture will provide up-to-the-minute Affordable Care Act rules and regulations including HHS, CMS, and commercial insurers.

3:50 pm – 4:50 pm | Panel Discussion

Advocating for our Patients while Negotiating with Plans

Moderator: Kristin McCabe-Kline, MD, FACEP, FAAEM, ACHE

Emergency medicine is uniquely situated to lead the charge on important patient access issues, such as the prudent layperson standard and unfair lack of coverage.

AGENDA: FEBRUARY 8, 2019

Tailoring Clinical Environment to Success and Future Threats

7:15 am – 8:00 am | Registration/Check-In

8:00 am – 8:15 am

Welcome & Opening Remarks

By Ernest Page, MD, FACEP

8:15 am – 9:00 am

Academic Perspective

By Adrian Tyndall, MD, MPH, FACEP & Ashley Booth-Norse, MD, FACEP

Academia faces a myriad issues, ranging from faculty roles and residencies. We'll review the management of financial aspects and responsibilities of Deans and Chairs within academic institutions.

9:05 am – 9:50 am

Free-Standing Emergency Departments: Successfully Extending the Reach of the System, but with Challenges

By David Seaberg, MD, CPE, FACHE, FACEP

This lecture will explore the history of freestanding emergency departments in American medicine, how health systems are using these sites, and challenges and opportunities that they present to emergency physicians and physician groups.

9:50 am – 10:00 am | Break

10:00 am – 10:50 am

Observation Medicine and Care Coordination: Expanding the Role of Emergency Medicine After the Acute Visit

By Troy Myers, MD, FACEP

10:55 am – 11:55 am | Panel Discussion

Emergency Medicine Innovation: How to Successfully Partner with your Hospital

Moderator: Sanjay Pattani, MD, FACEP

It is essential that emergency medicine and all hospital-based practices work cooperatively to support patients and make a long-term commitment to coordination of care. Panelists will discuss strategies to best accomplish such partnerships.

12:00 pm – 12:45 pm | Lunch with Sponsors

12:55 pm – 1:40 pm

ED Systems Working with Hospitals – Running the Whole Show

Michael Zappa, MD, FACEP

The speaker will walk attendees through his emergency department business case model, which has transformed patient care, efficiency, and financial success. His emergency department management journey has included culture change, process improvement and financial success.

1:45 pm – 2:30 pm

Population Health Management: Helping your Health System Meet its Goals

By Nishant Anand, MD, FACEP

Population health management is an essential part of care coordination. This presentation will explore avenues emergency physicians can take to work with hospitals on solutions for managing the increasing patient population in ED's.

2:35 pm – 3:35 pm | Panel Discussion

What is Next for Emergency Medicine?

Moderator: Danyelle Redden, MD, FACEP

We'll conclude the program with an open-ended discussion regarding what the future holds for emergency medicine. Panelists will explore topics such as clinical innovation, care coordination, payment reform, and more.

Accreditation Statements

ACCME: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Emergency Medicine Learning and Resource Center and the Florida College of Emergency Physicians. The Emergency Medicine Learning and Resource Center is accredited by the ACCME to provide continuing medical education for physicians.

AMA: Emergency Medicine Learning and Resource Center designates this live activity for a maximum of 13.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FBON: The Emergency Medicine Learning and Resource Center is approved as a provider of nursing education by the Florida Board of Nursing, Provider #2731. Up to 6.0 nursing contact hours will be provided by the EMLRC.
